## FAMILY CAMP PACKING LIST

Name: \_\_\_\_\_

**Please print and fill out one for each person, fill in as you pack, and bring to camp with you. We will collect it on arrival day and return it on packing day. It will be helpful when packing to leave.**

All items MUST be clearly and permanently marked with sewn on labels or Rub-a-Dub® laundry marker. Be sure to label clothes worn to camp. Campers and staff will wash clothes on site and hang them to dry. *This list is a guideline.* "Old" clothes are preferable, and the quicker they dry the better.

**Note:** Synthetic fabrics are more insulating than cotton when wet.
